

**ESSAY QUESTION**

For Cicero, proving the citizenship of Archias was more than citing documents. Using Latin (with English translation/paraphrase) to support your answer, write an essay describing how, in this section, Cicero emphasizes the connection of the poet to Italy and Rome. How well did he fit in? What factors affected his status in the cultural and social life of the city? Provide specific examples. Include at least one figure of speech in your essay and discuss how it enhances this passage.
