ESSAY

Compare and contrast the content, style, and tone of Poems 1 and 49, in which Catullus expresses gratitude to Cornelius Nepos and Cicero.

Support your assertions with references drawn from throughout the poem. All Latin words must be copied or their line numbers provided, AND they must be translated or paraphrased closely enough so that it is clear you understand the Latin. Direct your answer to the question; do not merely summarize the passage. Please write your essay on a separate piece of paper.
