

## ESSAY

Parke praises Horace implicitly by using diction (words, allusions, poetic features) that echoes the diction of Horace. In a short, well-organized essay, explain how Parke honors Horace without mentioning him by name in the poem itself.

Support your assertions with references drawn from throughout the passage. All Latin words must be copied or their line numbers provided, AND they must be translated or paraphrased closely enough so that it is clear that you understand the Latin. Direct your answer to the question; do not merely summarize the passage. Please write your essay on a separate piece of paper.
