

COMPREHENSION QUESTIONS

1. What two difficulties does Acosta cite in trying to discern the facts about the origin of the Indians?
2. What does he say of the man who claims to have these facts?
3. How does he believe the people arrived where he now finds them?
4. Does Acosta not yet realize how large the earth actually is?
5. What kind of people does he think the early Indians were?
6. Does he think that a cultivated “republic” could have existed at one time? What happened to it?
7. What evidence does he give?
